Re: **Student Saver Program**

August 2015

Dear St. Columbkille School Parents,

We are thrilled to let you know that we have joined forces with St. Columbkille School to help your children learn a little about saving money in a **Student Saver Account** and the procedures involved with making a deposit.

Beginning with the 2015-2016 School Year the staff of St. Columbkille Credit Union will be on the school grounds twice a month (Wednesday mornings from 7:30 – 7:55 AM). This will be a chance for your child to get acquainted with the steps involved in depositing funds at the credit union. They will just need to bring their share book, cash and /or checks to school on the designated Wednesdays. We will accept the deposits and post them to their account book. What an exciting opportunity for them to watch their funds grow!

If your child does not already have a Student Saver Account with us stop in and open one today. **Or**, complete the form below to let us know you are interested. Return it to school. We will then send home a membership application for you to fill out. Your child can return it to school or you can bring it to the Credit Union office. We will then make out your child's passbook. All it takes is **\$5.00** for either option!

We look forward to meeting all of you! If you have any questions give us a call at 216-524-0414.

Sincerely,

Joanna Sebek
Manager
