Email Alert to Notify You When Your Account has a Low Balance

1. Sign into your account at www.payforit.net
2. Place your cursor over the My Account tab and click on My Email Options

3. Enter your Email Options. To select the email alert, simply place a check mark in the box to the right of the option and enter the dollar balance when you want to receive the alert. Press the Update button to save the settings.

The example below shows the check mark and asks for an email alert when the account reaches \$10.

Now you will receive emails to let you know about when your account is below the balance you selected.
