

How to Add Students to Your Existing PayForIt Account

Adding a new student to your PayForIt account is easy! Simply follow the 4 steps below.

1. Sign into www.PayForIt.net
2. Click on Add/View Students on the toolbar at the top. The Register Student page will then be displayed.
3. Enter your child's Student ID (provided to you from the school office), First Name, and Last Name. Select the correct grade in the drop down list.
4. Click the Register button under the information you just entered.

PayForIt has easy to follow instructions you can read by clicking this button on the Register Student Page.

Your student is now set up for you to load their lunch account and/or make tuition payments.
