EXTRACURRICULAR CLUBS 2017-2018

Extracurricular activities promote collaboration, responsibility and a sense of pride between the students and within the school community. Listed below is the schedule for the clubs offered by the faculty and staff throughout this school year. There is a need to limit the amount of participants in order to best run some of the clubs. Please choose clubs carefully, noting times and days—and keeping other commitments in mind, i.e. music and sports. In order to allow as many students as possible to participate, please choose the top 2 clubs that your child will be most interested in joining. All sign-ups will be accepted on a first come, first served basis unless otherwise noted.
