

## YEARBOOK STAFF

Being on the Yearbook Staff gives students a real-life experience in publishing a book.

The 68 page, full-color yearbook, is created totally online in a professional publishing program called Webease. Webease comes to us through Lifetouch National School Studios, the company that takes all of our school photographs.

Yearbook meets the first 3 Tuesdays of each month from 3:00 to 4:15. During that time the yearbook staff is involved in planning and creating the current year's memory book. We publish a book that records all the events of the entire school year, therefore, it goes to press in June and is received in time to pass out at Curriculum Night in August.

The yearbook staff is moderated by Mrs. Stevens, Miss Nahra and Miss Wallenhorst.
