

## BOX TOPS FOR EDUCATION REMINDERS

- *Check the expiration dates!* Your child may not get a dress down pass if expired Box Tops are turned in. If that happens, you will get a note explaining why your child didn't get the dress down pass and how many Box Tops need to be turned in by the following due date to qualify for one.
- 50 Box Tops per family for each month. Kindergarten and Pre-K do not participate
- Mark the baggie/envelope with the Family name, students name and the grade-homeroom of each child.
- Box Tops must be turned in **on/or before** the due date.
- Bonus Box Tops count toward your total for the month
- Any Box Tops that are turned in after the due date will go towards the following month's dress down date
- 

Our school information on Box Top For Education website is -
