

November Box Tops Contest Month Info

We are excited for this month's contest.

The winning classroom will be getting their own dress down day in December!

Here are the rules:

- ~ Students may turn in as many BoxTops as they want...there is no minimum or maximum number that needs to be turned in.
- ~ Just because a student turns in Box Tops does not mean that they are guaranteed a dress down: only if their class has collected the most Box Tops do they earn one.
- ~ Turned in Box Tops will not carry over to the following month for the students. This is a stand-alone month. Say you turn in 25. That total goes toward the class total for November. Your child **cannot** turn in an additional 25 in December for a dress down.
- ~ I do not keep track of which students turn in Box Tops for contest months, only the total turned in for each classroom.
- ~ This is an individual contest not a family contest. If your children want to participate, each of them need to turn in any quantity of Box Tops to their teacher.
- ~ Due date is Friday, November 17. As usual, the baggies/envelopes must be turned in by the time the pink bags are brought up to the circle after morning announcements.
- ~ If you are turning in an envelope for December early (which you can do) please mark the baggie/envelope with your child's name, room number, amount of Box Tops and "December". If they do not say "December", I will just assume that you want them to go toward the November contest month and mark the amount for the class total.

Good luck to all. Happy clipping! Any questions ~ columbkilleboxtops@gmail.com

PLEASE READ THESE RULES SO THERE WILL BE NO QUESTION AS TO WHY
YOUR CHILD IS NOT RECEIVING A DRESS DOWN FOR NOVEMBER. THANK YOU!
