+ Following a 10 month, August to May, or a quarterly payment schedule families are encouraged to utilize our new online payment option found on the school website. Tuition can be paid in advance or more often than monthly or quarterly. By the end of each quarter, tuition for that quarter must be paid. This includes monthly payments within that quarter.

+ A late fee of \$25 per quarter or \$10/month will be charged to your account when tuition is not kept current and report cards and online access to grades may be withheld.

+ If your family is having unexpected financial difficulty we want to work with you to come up with an alternative plan that works within your budget to cover tuition costs. We never want to punish you or your child by withholding report cards or access to online assignments so please speak with us should the necessity arise! Diplomas or transcripts may be withheld if tuition is not paid in full by graduation.
