Dear Friends & Family,

During Catholic Schools Week, the St. Columbkille School PTU is hosting a special day of fun and thoughtful activities for students like me. It's a Triathlon, but with a twist. The three parts of our Triathlon are ones that are important to our Catholic education: Think, Move, Pray! For the Think portion, we will be competing in a spelling bee. For Move, we will participate in activity stations that include basketball skills, self defense, yoga, and an obstacle course. For Pray, we will have prayer and reflection, as well as a service component. Please consider sponsoring me in this SCS Triathlon. Your pledge will ensure that PTU can continue to provide things like educational assemblies, field trip buses, the online gradebook and emergency notification system, and much more. There are also prize opportunities for families who collect pledges at the $50, $100, and $150 levels. Pledge sheets are due Friday, January 26th. **Thank you for your generosity!**
