

Volunteers Needed for the SCS PTU Triathlon on February 1st!

As a unique conclusion to Catholic Schools Week, Friday, February 1st is our second annual Triathlon! After their weekly mass, students will enjoy a special performance by renowned magician and illusionist Rick Smith, Jr.! Then they will move in groups through our three big events for the day: Think (spelling bee), Move (activity stations), and Pray (service & reflection).

We need volunteers to help with our Move stations (balance, strength, agility, light exercise) and with our Pray stations (assembling “blessing bags”). There are two available time slots: 10:15-11:30am and 11:45am-2:00pm. We also need help with setup and cleanup. Volunteering for this event earns you VIP points!

Thank you for joining us to help with this exciting day! You won’t want to miss it!
