

Dear Friends & Family,

To conclude Catholic Schools Week, the St. Columbkille School PTU is hosting a special day of fun and thoughtful activities for students like me. It's a Triathlon, but with a twist. The three parts of our Triathlon are ones that are important to our Catholic education: Think, Move, Pray! For the Think portion, we will be competing in a spelling bee. For Move, we will participate in a variety of activity stations that focus on balance, strength, and agility. For Pray, we will have prayer and reflection, as well as a service project. Please consider sponsoring me in this SCS Triathlon. Your pledge will ensure that PTU can continue to provide things like educational assemblies, field trip buses, the online gradebook and emergency notification system, and much more. There will also be a raffle for a family fun package. Every \$25 in pledges collected earns one raffle entry. Pledge sheets are due Friday, January 25th. **Thank you for your generosity!**
